

BIO

Wiktor Janicki
General Manager, Roche Poland

In 2000 Wiktor Janicki graduated with distinction in Finance & Banking at the Warsaw School of Economics.

For next 3 years he gained insights into various industries as a business consultant. In 2003 he joined the pharmaceutical industry with Wyeth as a financial analyst and held local roles of increasing responsibility in Poland. He then moved to a regional controller role in Austria and in 2008 became the finance director for Wyeth in Czech Republic and Slovakia.

In 2010 he returned to Poland and joined Roche as a finance director and member of the management team. He took the office of general manager of Roche Polska in November 2015.

During his career Wiktor Janicki completed a number of prestigious professional courses and is a member of several professional societies.
